SOUVENIR POST CARD

The interior of St Peter's
is as fine as the exterior
and the music grand.
I feel quite at home, roaming
the streets of Albany, and
it is very pleasant to meet
old friends. I suppose you had
a full attendance of the mem-
bers of the auxiliary yesterday
has the box been sent? Give
my love to everybody. Hope my
new ones full of friends, last Sun-
day. M L G.
